SUNDAY AFTER THE EXALTATION OF THE CROSS

Come, O beloved, let us cover ourselves below the wings of the precious and life-giving Cross. For the four ends of the Cross signifies that He who was crucified upon it is God over all places, and has received all from the ends of the earth. Christ God was lifted up upon it, that He might dissolve the demons as our Savior Himself told us: "When I am lifted from the earth, I will draw all men towards me." (John 12:32) and what more should I tell you? Harken to the word of the Prophet: "The Lord shall send you a rod of power from Sion." (Psalm 110:2) And because this rod is Christ, as Isaiah also said: "A rod shall go forth from the root of Jesse." (Isaiah 11:1) Moses bearing this, divided and brought back together the Red Sea: dividing, that the people of God might pass through, bringing back, that the people of Egypt might be covered by the depths of the Sea.
